Availability

If you are an NU undergrad and federal work study student, you may qualify for work-study. Would this internship qualify for work study?

Are you pursuing this internship for academic credit?

How many hours per week can you commit?

Internships are typically completed within normal work hours (Monday – Friday, 9am to 6pm). Please describe your possible availability (i.e., *From June to Decemeber, I will only be available on Mondays and Fridays after noon. Beginning in February I am available Wed and Fri afternoons.*):

Approximately which dates can you commit to interning with our program (i.e., *June to December*)?

Open-Ended

Why are you interested in working with ISGMH?

What do you see as your greatest strengths?

Is there anything else we should we know?

It's important for us to understand what skills and interests you're bringing with you, so you can have the best internship experience and we can make the best use of your skills! Please briefly describe your skills and experiences.
